UEFA Champions League Info

The UEFA Champions League is an annual competition between the top football clubs from every league in Europe.

The European Cup was first introduced in 1955 and initially only involved the champions of each of the major European nations. In 1992 it was officially renamed the UEFA Champions League, and what was previously mainly a solely knockout tournament became a longer format with group stages as well as one-off two-legged clashes.

This also had a knock-on effect on other European trophies. So the European Cup Winners' Cup became obsolete, and the UEFA Cup became the UEFA Europa League.

32 European teams start the group stage, which is drawn after a series of qualifying rounds. The teams are split into eight groups of four, and the two teams that finish in the top spots qualify for

the last 16.

These 16 play a series of knock out rounds leading up to the final.

The

tournament holds the highest rating numbers on television for annual football events not only in Europe but worldwide; the final is generally viewed by upwards of 360 million viewers.

The all-time top scorer in the tournament is Manchester United and Real Madrid legend Cristiano Ronaldo. He holds the record with 140 goals, and is followed by former Barcelona star Leo Messi with 129 goals. The record holder for most appearances in the Champions League is also Cristiano Ronaldo with 183.
