**FAQ ? What is FIFA betting?** The idea is the same as in the normal football. You do your research, then you bet. However, you are betting on the talent of the player and not the virtual team. You will need to pick a betting site, open an account and deposit money first. ? What kinds of bets are there? There are the usual bets on the FIFA betting sites around tournaments: group winners, tournament winners, top scorers and so on! ? Are there specific eSports bookies? There are a few, but the established names are offering more and more markets and increasingly competitive odds. ? Can I receive free bets?
