I am writing a case study about Aposta Ganha, a company that provides sport betting services. They have a fidelity program that offers free bets, free spins, and cashback.

Background:

Aposta Ganha is a company that operates in the gambling industry, offering sport betting services. They have been in the market for a few years and have gained popularity due to their competitive odds and fast payouts. They have a wide variety of sports and markets available for betting, including soccer, basketball, tennis, and volleyball.

Case Specifics:

Aposta Ganha has a fidelity program called "Cupom AG" that offers free bets, free spins, and cashback to its members. The program has three levels: Bronze, Silver, and Gold. Each level has its own set of benefits, such as increased cashback, higher betting limits, and access to exclusive promotions.
