Drago - Jewels of Fortune Slot Review

The Drago - Jewels of Fortune slot machine comes

from Pragmatic Play and features a flock of cute, animated dragons on the reels. It's a 1600 ways to win game with symbols arranged in a 5-4-4-4-5 layout.

You can play the

Drago - Jewels of Fortune slot online on PCs and mobiles for a wide range of stakes.

Bonuses include reel respins with locked symbols, and you have the chance to win up to 5000x the total bet from the round.

During a free spins feature, you can grab some

extra wins from sticky wilds, mystery symbols, or win multipliers.

Get Past the

Dragon

A giant purple dragon guards a horde of treasure behind the reels. It's a friendly-looking creature and more How to Train Your Dragon-style than Game of Thrones. This smiling beast isn't the only one featured in the Drago - Jewels of Fortune online slot.

It's joined by three others, each with their own distinctive styles and

personalities. These guys look fantastic and become animated when part of a win. Five playing card symbols fill out the reels and we can't help but wish Pragmatic Play was a little more imaginative. Maybe a few dragon eggs would add to the magical slot machine theme.

The excellent soundtrack makes up for it though with an orchestral tune accompanying the soft clicks as symbols drop into place.

Cash on the Creatures

It

doesn't matter what your budget is, there's sure to be a stake level to match. You have a range running from 0.20 to 100.00, with lots of options in between. You can even test it out and play Drago - Jewels of Fortune for free before playing for real cash.

Fully

licensed and certified for fair play by independent testing companies, these dragons don't bite. It's a high variance slot though where returns average out at 96.5%.

The

unusual 5-4-4-4-5 layout gives you 1600 different ways to match symbols from the left side in any place on adjacent reels. Take a look at the paylines table of the Drago - Jewels of Fortune slot machine to see how many coins symbols pay at a basic 20-coin bet

Symbol Match Three Match Four Match Five 10, J X4 X6 X10 Q X6 X8 X10 K X6 X8 X15 A X8 X10 X20 Baby Dragon X10 X20 X40 Green Dragon X15 X25 X50 Red Dragon X20 X40 X100 Purple

Dragon X25 X50 X200

Fire-Breathing Features

A wild symbol does what wilds are famed for and stands in for others if it can then complete a winning sequence.

The various

dragons each have the power to launch a Super Spins feature. First, you need to land four examples of the same dragon in the corner positions. These dragons lock in place for a series of respins. They carry on as long as more examples of the triggering symbol appear.

Each example of the dragon locks on the reel and, at the end, you win a prize based on the total number in view. Any 20+ baby dragons pay 100x your bet, with the green, red, and purple characters worth up to 250x, 500x, and 5000x, respectively.

Hit four crystal bonus symbols in the corner spots to trigger a free spins round. Before they begin, respins of the Drago - Jewels of Fortune online slot sees blue, purple, red, and green crystal symbols appearing. You have an initial three respins, but these retrigger when crystals land and lock in place.

The round carries on

until you have three respins with no crystals, or all spots on the reels are filled.

Each green crystal adds between one and ten free spins to the total. Red crystals each place between one and five sticky wilds on the reels during the free games. Blue crystals add 1x or 3x win multipliers, while the purple ones add mystery symbols to the reels. These turn into extra wilds.

All the extras from the crystals combine, turning the free spins into a fantastic round filled with multipliers, sticky wilds, mystery symbols, and extra games.

More Slots With Scales

In many Asian cultures, dragons are symbols of good luck, so if you like these beasts, you have no shortage of options. So is the number 8, and the 8 Dragons slot also comes from Pragmatic Play. The five reels can fill with stacked wild dragons for the biggest payouts.

The Dragon's Luck Megaways

slot comes from Red Tiger Gaming. It offers up to 117,649 different ways to win across the six reels and is another game definitely worth a spin.

Unleash the Dragons

Online

The Drago - Jewels of Fortune slot machine promises to take you on a mythical adventure where you could discover real treasures. Except for some slightly drab playing card symbols, it looks great. The animated dragons are an obvious highlight and add real charm to the gameplay.

Be aware that the high volatility can lead to relatively long gaps between winning spins, but you have a better chance of hitting a big win. In the free spins round, you can win a vast 48,000x your total bet with the perfect mix of symbols and multipliers.

Tame the dragons when you play the Drago -

Jewels of Fortune online slot at the top-rated Pragmatic Play casinos.
