Extra Chilli Megaways review

Theme and Storyline

Extra Chilli Megaways is a fun new slot

from BTG, using the ambience of a South American market for its setting and the spicy hot chillies that grow in the New World for its iconic symbols.

The bustle and colours

of the marketplace make for a lively setting that is realised through excellent sound and visual design.

Graphics, Sounds and Animations

The sound, in particular, should be

singled out for praise. The subtle soundscape created by the murmur of voices blend seamlessly with the more prosaic reel and win sound effects. The overall effect is an excellent, immersive experience.

This is assisted by the slick animation of stylised

symbols that help make Extra Chilli Megaways a delight to play and enjoy.

Win in the

base game

Gameplay

The base game for Extra Chilli Megaways is played on six reels with

an any way wins system. In this system, wins are given for symbols anywhere on each reel so long as they are consecutive and start from the leftmost reel.

The number of

symbols on each reel is randomised (between two and six symbols). There is also an Extra Reel that adds symbols to the bottom of reels two to five. As a result, the number of win ways can vary from 324 to 117,649.

When a winning combination is hit this

triggers a Reaction. A reaction is where the winning symbols are removed from the reels and new symbols fall down from above (or from the right on the Extra Reel).

Gameplay

video

Wilds, Bonuses and Free Spins

The Wild symbol substitutes for all symbols except

the Scatter symbol and the Feature Drop symbol.

The Scatter symbol serves to trigger

the bonus feature. Three Scatters gets you eight free spins and every additional Scatter nets your four more free spins on top of that.

When the Free Spins are

triggered the player is offered the chance to either play their free spins immediately or to gamble. With this Gamble Feature you can win up to twenty-four free spins, however, you can lose all your free spins if you lose.

Free spins gamble wheel in the Extra Chilli Megaways slot

During the free spins, a multiplier is added to each win as

you win it. After each win the multiplier increases by one. You can also win additional free spins if three or more Scatters fall in the Extra Row. Four more spins for three and eight spins for four.

If you just can't wait for the Scatter to land you can use

the Feature Drop to buy your way into the feature. Feature Drop symbols can land on the reels during regular play and will reduce the price for buying into the Free Spin feature by the number on the symbol. When the price reaches zero the free spins are triggered automatically.

Bet Sizes, RTP and Variance

The return to player of this game

is 96.82%, this is a good bit above the yardstick we use of 96%.

Paytable for top

paying symbols in the Extra Chilli Megaways slot machine

The range of bets on the site

we tested ran from a minimum bet per spin of R\$/£/€0.20 up to a maximum of R\$/£/€20.00 per spin. This is a rather low range for anyone who likes playing for the really big bucks but should take care of the most common bet ranges.

The volatility of this game

is medium, which makes it a little too low to match very well with our slot strategies.

Paytable for low paying symbols

Conclusion

Extra Chilli Megaways is

delightful slot with some fun gameplay quirks and a well realised setting and atmosphere.

The only downside from our point of view is the medium volatility. However,

for players who are less concerned about maximising volatility this could be a great slot for you.
