The end of 2024 was marked by another not very pleasant event - the Holdem Manager 2 developers have completely stopped supporting their tracker. The development team can finally focus all their efforts on the latest version - Holdem Manager 3. HM2 has served thousands of players with faith and truth for almost 10 years.

What should Holdem Manager 2 users do?

The answer is simple - update to the new version represented by Holdem Manager 3, or give preference to competitors' offers:

Should you upgrade to Holdem Manager 3?

Recall that an updated version of the poker tracker from Holdem Manager developers was released at the end of 2024. The launch of new software, and especially so complex, could not do without bugs of varying severity. It is for this reason that many HM2 users were in no hurry to switch to a crude product that required serious improvements. However, almost 1.5 years have passed since the release of Holdem Manager 3. During this time, the software has been polished and has become much better. We talked about the difference between Holdem Manager 2 and Holdem Manager 3 when the latter was released.
