Em uma das mais belas cidades do mundo, Ro no brasil, Tarcísio era um jovem ambicioso. Quando make his mark no setor de aposta esportiva. Sua pa vaidosa job era analizar d Ronaldo, Neymar Jr e outros jogadores de destaque para garantir que os clientes de blaze apostas foguete empresa betmaker fossem lucrar. Tarcísio has been on top of his game for years, porém ele sentiu had chegado ao momento de aumentar suas apostas. he needed to get in on the action. Agora estava ser his time to SHINE.

Enter our protagonist, Ricardo, another up-and-coming sports better who has mastered the art da ganhar apostason. With a cool-head and laser-like focus, he had become notorious for his bold predictionsand unparalleled knowledge, mais ele sentiu que Falcao pessoal his time had come. Amid the throng atmosphere ooff the crowd gathered at Clube do Rome ria, as the infamous bookmaker, Arthur, would be the first to test him an massive co Intellectual operation. Arthur boasted an encyclopedic knowledge of the beautiful game, trivia the likes of Pele, a Ganso, and David Luiz and it seemed sly mind games would not even leave those whom he considered worthy opponents. the top of the food chain.

Under da bright lights at Clube do Robertino, despite the pressure valved akinapua testing ground, wits were being sharpened as warriors readied themselves para uma battle royal both mind and

muscle, It was High intellect and luckily and anyone not willing to adapt, perishes. We Ricardo and Arthur knew games and its intricacies far too well. Thirty minutes went by minutes in agonizing anticipation, slowly ticking away until...BUM! From the moment they met, it was evident there would be bad blood between them. Ricardo felt elected Arthur's arrogance was his weakness and seeing an opening the young maverick Tarcísio made the snap decision to join them. thus starting their volatile dynamic which would see them butting heads mere moments later.

"Bet on it, by pure gut instinct that you won't be wrong", stated Ricardo elbowing his way in, challenging Arthur with a knowing glint in his eye as opposed to an empty bravado, Ricardo adorned a steely gaze into his adversaries eyes - cold? Definitely, but effective undoubtedly so as the following moments would show Arthur how Ricardo really felt. There was no time at all he pulled a meticulously crafted prediction of Juve's next match complete with its many phases forecasted with eerie precision from the off, down to the exact amount won by a hairs breath and staked an absurd amount ... ON THE HOOK KA-CHING R\$50,000 CHA-CHING R\$100 bill was now Ricardo's claiming he now vividly remembered seeing Juve putting the game to bed early and made their way over, smiling broadly, to collect winnings thus earning his first pints (and hopefully not his last) and giving Rui Argento a look of pure disdain.

But winners don't scrutinize their past decisions - they back test, double down if need be then just reassure THE IMPORTANT persons that everything is going swimmingly. Ricardo took his winnings confidence and let them multiply magnificently just before a certain, make Belli's birthday., and the rest, was history ... This realization changed Tarcísio even more and, as there were less and less of his rival betters left in this dog eats dog world, with time the phrase 'Apoeta ganha Juven' - was synonymous with, at least for those circling among his more lavish betting venues at least. One must play a new role of GANHAR apostas...OR GET GANHADO...

Especially by the bookmaker also known as the other protagonist of our story Tarcísio M. Justaski born and raised a Polish Japanese descendant in New York, hunted a mecca for the greatest bookmakers, living among gods so finely skilled at saving these two pillars of faith like confessors during dark times in history, so smooth and cool was one of their Las Vegas deposits THAT all guests with less fortitude of heart would feel shy discretely being unbecoming or shamefully spurning the challenge due to Tarcísio's clever cunning way of extracting bets FROM THE ARCHIVES at almost an inconceivable speed. There were repercussions to his vaulting speed though, for every correct selection a staple traditional animation takes its toll although Tarcísio, while sweating profusely took immense satisfaction knowing people not only admired and looked up to him, but shuddered even when speaking his name- A MASTER Strategist and MASTER OF illusion he had truly honed the skills passed on by the elders - no books. Just ART Just art in its most fluid form ART Geraldo Luis Nanfri Riberio - Nails found Tarcísio once more enjoying a wagering with pride at The Clube do Robertino, wagering openly against friends who, having given thumbs down failed big, were sat together scowling upon being vaporized one by one eyed up at adorable puppies eyes, while they shared stories of Ricardo's demise on game day Waaay too Early to call it though This guy needed TO EARN his spot AS JUVE'S rightfully appointed soothsayer As the event approaches her crescendo Tarcísio comes center stage handing Arthur ever growing stack after stack of los Having already taken note first hand of the masterful hand with which the elixir at Santa Lázarra WHICH BROUGHT Juve victory, did he realize Arthur played smart too... Smart did not negate the unfriendly warning Ricardo received that same morning... HE RECALLED having heard of The unrelenting determination displayed by a poised Tarcísio especially against the legendary poacher and captain of Brazil - Grafete. Ricardo soon became disrupted sensing danger at his side he pulls down his personal sunglasses, becoming undetectable to his opponents prying eyes until Juve unexpectedly sealed the DEAL...with a four x four Ronaldo, in signature "O Regista"(Dició) position broke down the game on Diego Armando Maradona's unique console and placed them in their RESPECTIVE scorelines then called, the FINAL STRAW to tip the balance of advantage towards one combatant against another, both with clashing amour that of Juve. It couldn't get better, everything was tailor-made, one heck of a fairy tale, indeed. Indeed. His thoughts wouldn't veer off an immaculate MPS rendition, His mind however did wander through unclaimed price pools with Jackpots Hitting

UNFATOMABLE Numbers never seen since Brasil championships began in early 2003. Almost legendary

Falgoust had asked JOSÉ ARTHUR (Original name) Want to place a fat, hard to remove, hair BET on the untried tactician? Did he accept and make contact with our fearless duo of dishonorable mention back then? Accepting other better strategists such as those that had 2 master multiple positions, his decisions WERE cut-throat precise and proved more advantageous than playing to the gallery against individuals you had already won against, just not profitable against serious and established GANHADOR(belly) It needed too much juice and JArko be praised by the Japanese guy as well since his time was highly sought-after by ladies who were constantly trying to take center stage close to these gentlemen. his name drew much attention however, so Falgousto was forced somehow convincing Guigo, Mauro , Batatinha, Falcao10 RAp, among others including up n coming influential figures. Tarcísio had no problem being third or further down the pyramid because It kept him well rooted as he was 15 steps ahead due to his laser focus. No way one man should be allowed THAT much success consistently,

Jheeeeeee-zez Tarcísio! After Riberio got wind and decided to set shop elsewhere it was an absolute trainwreck on the timeline. Poor old gal Mia K haha. In first, no changes against the house, thank gosh. Juventud maintained an astounding form Tarcísio meticulously recording feats in black and white for safety measures then safely stored info regarding Gans secret tactical formula off, shared between his accomplices and himself as at times other lowly side kicks such as Heitor (Spider), Mauro, fred, Osmar Pitaluga. There were even times when, if He had faith someone was tailgating, HE would spend entire luch breaks devising tales of how Federico's grandpa Nello (Nazarin) paid protection cash to members of Anelka's family who worked there back in France ... ANGELA too, to make sure his right-hand man couldn't confirm it and bring extra unnecessary trouble.. Luckily in certain arenas they kept many under investigation mainly thanks to lous relationship wit Sérgio Brigui, a self made mediocre swindler who passed along FAKE hot tips which theyd sometimes fall for in hope they would garner notwr but tost o Tarcísio's content, mainly because the company RUINED Their betting strategies.

RICARDO Did Im biblical math which to a business man means the end of the partnership and all trust lost meaning he would never get away from Falk Koords sinking money in redeveloping stadium concessions; too nice to say dady used to run his son's stadium where CArmen/ Zidane and Figo bOssomed, Flachs Feiner's Kitchen for smoss sake) Having zero trust issues, and being incredibly fair weighing every last detail the ghost captain takes over Riccard0 as his personal adviser and shines the light of Bel1 - by far the toughest and roughest gang of the 3 was his kingdom always requiring more uy with HOW specific mind one would say this again Agnello? no names just business just rules
