Surely the great weather has something to do with it too, as well as the natural spaces like the beaches and mountains, and the wealth of associations it has. The fact is that Barcelona has always been linked to sport. There are hundred-year-old tennis, swimming, sailing and rambling

clubs, and the 1992 Olympic Games was a major boost. The possibilities are endless: from walks in the woods of the Collserola mountain range, to running circuits that test your athletic prowess. In fact, there are even routes that let you get to know the city's old quarter while you run. And Barcelona certainly runs. It is a city known for its fun runs, like the Cursa de Bombers (firemen), the Cursa de la Dona (women), the Cursa de la Mercè (festival) and the Cursa dels Nassos (noses). It swims too. Barcelona's beaches are open all year round, and every neighbourhood has a swimming pool where you can do a few lengths under a roof. If you prefer to get to know the city from the sea, and go a little further, there are sailing, canoeing and kayaking courses. Skateboard lovers will find truly excellent skateparks and tracks where they can do this ultimate urban sport. And, of course, there is also the option of getting around the city in a healthy way, because Barcelona has a network of almost 200 km of bike lanes.

And that's not all. You can also enjoy sport in the city from the stands, at the many sports facilities in Barcelona used by its many sporting associations. You can even enjoy sport from a comfy cinema seat because every year the city holds BCN Sports Film, an international film festival dedicated to the world of sport.

A +1.5 spread is commonly seen in baseball betting, the standard runline for MLB. This spread means the underdog must win outright or lose by exactly one run to cover the spread.

Alternatively, a -1.5 spread means that the favorite must win by at least two runs. Many baseball games are decided by fewer than two runs.

China reitera oposição a valores de tarifas dos EUA sobre produtos Chinese

Fonte:

Xinhuhua

27.09 2024 08h31

Ministério do Comércio (MOC) da China reiterou nesta quinta-feira a oposição ao emprego de Seo 301 pelos EUA para aumentar as tarifas sobre alguns produtos chineses.

A China tem repetidamente apresentado representações solenes ao lado dos EUA sobre as tarifas da Seo 301, disse a porta-voz do MOC, He Yongqian.

Ela fez essas observações durante uma coletiva de imprensa ao responder a um problema sobre recente aposta feita pelo Escritório do Representante Comercial dos Estados Unidos para o aumento das tarifas da Seo 301 mais cinco subitens, como tungstênio e polissilício.

Organização Mundial do Comércio (OMC) determinando que as tarifas da Seção 301 violam como regra de OMC, mas a EUSA está indo mais longe com suas recentes medidas.

A China pede que os EUA removam todas as tarifas adicionais sobre os produtos chineses o mais rápido possível para garantir, enquanto cadeias industriais e de fornecimento globais e proteger os interesses fundamentais dos consumidores e produtores das empresas públicas.
