contente:

O clássico entre SL Benfica e Sporting CP é, além de um grande duelo de futebol, uma batalha histórica. Duvidas? Vejamos alguns números:

Em 352 jogos, com inclusão de amistosos, o Benfica venceu 151 vezes, enquanto o Sporting saiu vitorioso em 135 oportunidades e houve 66 empates. Quando olhamos apenas para jogos competitivos, as estatísticas ainda são favoráveis ao time vermelho, com 154 vitórias contra 131 derrotas e 92 empates.

Além disso, o Benfica lidera também nas conquistas de taças: 31 campeonatos portugueses contra 18 do Sporting, e 24 Taças de Portugal sobre 19 do seu maior rival.

Clássico mais do que um jogo de futebol

O delicado reinado do Benfica é apenas parte do que torna este clássico em um caso tão especial.

Good, but could be better.

This is a review only on the sportsbook, and it's a tough one for me.

When I registered for them I did so purely under the assumption that they pride themselves in not restricting players and that they welcome winners. This is partially false according to my personal experiences. The odds on all markets seem to suspiciously change when I log in to my account. In every market, odds seem to be 0.02 points lower, or something close to that. It may not seem like a huge deal to you, but it is a restriction the way I see it, and it makes me wonder whenever they truly welcome me on the site as a winner or not. You could make the argument that it's necessary for their business model to succeed, since betting exchanges also require you to pay commissions on winnings, but this isn't the case for some of their competitors which I would recommend over this site. *cough* Pinnacle *cough*. Anyway, it's not a huge deal by any means and I can personally deal with this no problem, but I just had to throw this information out.

Other points to consider, starting with the positives:

- Despite my gripes about having lowered odds, they're still very competitive. I place bets there weekly, even daily on busy weeks. Lots of markets offered and different sports offered as well.
- Customer service is in my experience top class; fast, responsive and friendly. What else would you want to ask for?
- Withdrawal speeds are very fast so have no fear, they'll pay you no problem.

Some negatives:

- Desktop site looks very dated, like straight out from ten years ago, but at least it's functional.

Can't say the same about mobile version, which is terrible.

- They apparently start charging you a fee for withdrawals after five or so free ones. Haven't read the full terms, but this isn't the standard industry practice as far as I know.
- Making parlays is limited to only some markets. Might be a problem for some of you.

They have a lot of improving to do as I've already stated, but it's not a bad bookie overall. I'm willing to give them three and a half stars; it's a very good bookie to register for if you like chasing

valuable odds.
