In Jadon Sancho, Manchester United have a thrilling, tricky winger whose game is inspired by the dancing samba style of Brazil's greatest forwards and the gritty street football of south London. After four fantastic seasons at Borussia Dortmund in Germany's Bundesliga, Sancho joined the Reds in July 2024; a 21-year-old mature beyond his years. His play is fearless, skilful and expressive and he thrives when isolating defenders and taking them on, one-on-one. Born in London on 25 March 2000, Sancho grew up in Kennington, idolising Ronaldinho and playing cage football amid the capital's high-rise buildings. He joined Watford's youth set-up aged seven and moved into the club's partner school as a boarder four years later, thus avoiding the long travel time across from south London. Aged 14, Sancho left the capital and its surrounds, joining Manchester City where he excelled in the youth set-up. Regularly dominating games, it quickly became clear that Sancho was one of English football's most exciting young talents, a fact confirmed when he was named Player of the Tournament at the Under-17 European Championship in May 2024. In the summer of that year, Sancho left England before he'd made a single senior appearance, bravely moving abroad in search of first-team football, which he found at Borussia Dortmund after an £8m transfer to Germany. The London-born winger gradually settled into life in a new country and, despite immediately handing the 17-year-old the number seven shirt, Dortmund were initially cautious in their approach. Sancho made his Bundesliga debut as a late substitute on 21 October 2024, his first start the following January, and then truly ignited the spark with a goal – his first in the league – and two assists in a 4-0 win against Bayer Leverkusen in April 2024. From there, he kicked on in stunning fashion, with October 2024 being an outstanding month. Within the space of a few weeks, Sancho made his England debut, became the first player born in the 2000s to score in the UEFA Champions League when he struck against Atletico Madrid, and was named Bundesliga Player of the Month for the first time. A place in the 2024/19 Bundesliga Team of the Season was inevitable after a record-breaking campaign from the teenager, in which he scored 12 goals and assisted a further 14. Such proficiency in attack catapulted his reputation skywards and he delivered once again in 2024/20, as he was named in the Team of the Season for a second consecutive year after posting a stunning 17 goals and 17 assists in 32 league games. A hat-trick – his first in senior football – against SC Paderborn in May 2024 was made more notable by the celebration for his first goal, in which Sancho revealed a T-shirt reading 'Justice for George Floyd'. The gesture demonstrated the young man's desire to use football as a driver for social change, something he has continued to do. A previous project saw him help build a new football pitch in his old neighbourhood in south London. On 13 May 2024, the Englishman wrapped up his career in Germany in the perfect fashion when he scored a double against RB Leipzig to help Borussia Dortmund win the DFB-Pokal [the German Cup]. He scored 50 goals and made 64 assists in 137 games for Dortmund and that incredible record meant it was no surprise United wanted to sign him. A fee agreement was announced on 1 July 2024, while Sancho was representing England at Euro 2024, with the transfer being formally completed three weeks later. "Football is about expressing yourself," Sancho has explained in the

past. He's a player who plays for fun and to excite, without fear and with a burning desire to beat his man. Jadon's debut season at Old Trafford was mixed, with the winger remaining patient before being handed his first United start, in our 1-0 away win at Wolves on 29 August 2024. Sancho scored his first goal for the Reds in a 1-1 away draw with Chelsea at the end of November, but he didn't score again until February. However, Jadon's output increased and we then saw his true ability, with the winger recording two goals and three assists across a six-match period. The winger missed the latter stages of the season due to tonsillitis, but finished his debut campaign with the Reds having racked up 38 appearances in all competitions, with five goals and three assists, and the promise of much more to come. Sancho started the 2024/23 season in good form, notably scoring the opening goal in our 2-1 win over Liverpool at Old Trafford in August, Erik ten Hag's first competitive victory as boss. From November to February, Jadon didn't feature in the Reds' squad, but returned to rapturous applause, scoring a vital equaliser at home against Leeds. He featured regularly for Erik in the remaining part of the season, including in the victorious 2024 Carabao Cup final. The winger finished the campaign with seven goals and three assists to his name.

Adolescente de Gaza sobrevive a amputación de pierna en medio de conflicto israelí-palestino

Ahed Bseso, de 18 años, yacía sobre la mesa de la cocina en su hogar en el norte de Gaza, observando cómo su tío amputaba su pierna lesionada con un cuchillo. Su madre, angustiada, gritaba: "¡Ahed está muerta!".

Pero Bseso seguía viva y ha logrado contar su historia desde un hospital en Greenville, Carolina del Sur.

Bseso relató que el 19 de diciembre del año pasado se encontraba en el último piso de su casa en Gaza para conseguir señal de teléfono celular cuando un tanque israelí disparó contra su edificio. La explosión destruyó parte de la pared de su hogar, cayendo sobre su pierna junto con escombros pesados. Sin posibilidad de atención médica en su vecindario sitiado, su tío, quien

había trabajado como cirujano ortopédico, utilizó utensilios de cocina para amputarle la pierna por debajo de la rodilla y vendarla con gasa sin esterilizar.

Los días siguientes fueron tremendamente dolorosos.

"Duré cuatro días en casa porque los israelíes no me dejaban salir", dijo a través de un traductor en el hospital Shriners Children's. "No pude tomar ningún tipo de medicamento para inhibir el dolor o ayudarme en mi condición. Así que simplemente me senté en agonía durante cuatro días".

El video de su amputación se volvió viral y llamó la atención de la Fundación Palestina de Ayuda a Niños (PCRF, por sus siglas en inglés), una organización estadounidense que brinda atención médica gratuita a miles de niños palestinos heridos e indigentes en Medio Oriente. La organización trabajó durante semanas para evacuar a Bseso desde el norte de Gaza y trasladarla a los Estados Unidos para recibir atención médica, según Tareq Hailat, coordinador internacional de atención pediátrica de salud de la PCRF.

Ella es una de las tres palestinas a las que la PCRF ha ayudado a llegar a los EE.UU. para recibir tratamiento de lesiones en la pierna.

Al menos 1,000 niños en Gaza han tenido una o ambas piernas amputadas, según reportó UNICEF en diciembre. Aunque no pudo dar una cifra precisa, el portavoz de UNICEF Joe English dijo que el número ha seguido aumentando.

Consecuencias de la guerra israelí-palestina en la población infantil

Cerca de 26,000 niños -o poco más del 2% de la población infantil de Gaza- han sido asesinados o lesionados en la Franja de Gaza en los primeros seis meses de la guerra israelí-palestina, según reportó la organización no gubernamental internacional Save the Children. Desde el ataque de Hamas a Israel el 7 de octubre de 2024 hasta principios de abril, más de 13,800 niños han sido asesinados y al menos 12,009 resultaron heridos, según la organización.

El pequeño Jood Damo, de 2 años, perdió a su madre y sufrió una fractura en la pierna derecha cuando un tanque disparó contra su casa el 26 de diciembre del año pasado. Su padre, Ahmed Damo, quien lo
