"There will be consequences. What we saw was not Bayern."

After a sluggish start to the season, it was a 3-0 defeat at Paris Saint-Germain on Wednesday that broke the camel's back for Ancelotti at Bayern Munich. After warning of "consequences" in Paris, Bayern CEO Karl-Heinz Rummenigge was, less than 24 hours later, explaining why the club had "parted ways" with Ancelotti. "Our team's performances since the start of the season have not met our expectations...we had to take immediate action."

It is the first time Ancelotti has been sacked during a season, yet the warning signs had been there. Arjen Robben, who started on the bench in Paris, refused to say whether the players were behind Ancelotti, but gave away much more by simply saying: "I won't answer this question."

German newspaper Bild called it "Ancelotti's darkest night" while former Bayern captain Lothar Matthaus said "the team has no rhythm and no harmony".

Ancelotti leaves Bayern after nearly 15 months in charge, with one Bundesliga title - won by a 15-point margin - and two German Super Cups. But why has his time come to an end so quickly after the start of the 2024/18 season?

There were hints in pre-season that all was not well. While it can be misleading to read too much into friendly results, it was the performances that caused most concern. As they were beaten by AC Milan and Inter Milan in Asia and then Napoli and Liverpool in their own stadium in the Audi Cup, Bayern looked ponderous, and at times as if they were without a game plan.

The expectation-setting comes after un-sourced rumors began to spread that Microsoft might be planning a surprise shadow drop of Activision Blizzard games coming to Game Pass to celebrate the closing of the deal. While the Activision Blizzard account recently tweeted that it did "not have plans" to bring its games to the Netflix-like subscription service before the end of the year, some fans still held out hope that a game or two from the back catalog might pop up before 2024.

Advertisement

"The regulatory process took so long and frankly there was a lot of uncertainty in that process up until, really, a week before we closed, or really the week of, when the CMA finally came down to their decision, that we weren't able to get in and work with mostly Activision Blizzard in this case on that back catalog work," Spencer told the Official Xbox Podcast on October 17. "I would love it if there was some kind of secret celebration drop that's coming in the next couple of weeks—there's not."

That's in contrast to when Microsoft closed its \$7.5 billion deal to buy ZeniMax and its Bethesda Game Studios games, including Fallout 3 and The Elder Scrolls V: Skyrim, were triumphantly rolled out on Game Pass soon after. Spencer called it a disappointment that fans would have to wait the extra months in the case of Activision Blizzard.

Jordan Bardella critica a Kylian Mbappé por su llamado a votar contra los "extremos" en las elecciones parlamentarias

El líder de la extrema derecha francesa, Jordan Bardella, criticó al futbolista Kylian Mbappé por su llamado a los jóvenes a votar contra los "extremos" en las elecciones parlamentarias de este mes.

"Tengo un gran respeto por nuestros futbolistas, ya sea Marcus Thuram o Kylian Mbappé, quienes son iconos del fútbol y modelos a seguir para la juventud ... Pero debemos respetar a los franceses, debemos respetar el voto de todos", dijo Bardella a CNews TV el martes.

"Cuando tienes la suerte de tener un salario muy, muy grande, cuando eres un multimillonario ... entonces me siento un poco incómodo al ver a estos atletas ... dar lecciones a la gente que ya no puede llegar a fin de mes, que ya no se siente segura, que no tiene la oportunidad de vivir en barrios sobreprotegidos por agentes de seguridad."

Un día antes del partido inaugural de Francia en la Euro 2024, que se lleva a cabo en medio de una crisis política después de la decisión sorpresa del presidente Emmanuel Macron de convocar una elección anticipada, Mbappé advirtió el domingo que "los extremos están golpeando a las puertas del poder".

El comentario del popular capitán de Francia siguió a una intervención del delantero Thuram, quien instó a las personas a "luchar a diario" para evitar que el partido de extrema derecha del RN gane poder.

Mbappé no nombró al RN pero dijo que apoyaba los mismos valores y posiciones que Thuram. "Kylian Mbappé está en contra de las ideas extremas y contra las ideas que dividen a la gente. Quiero estar orgulloso de

representar a Francia; no quiero representar a un país que no corresponda a mis valores, o a nuestros valores", dijo Mbappé.

Esa llamada resonó con algunos jóvenes en el antiguo vecindario de Mbappé, un suburbio desfavorecido de París, pero fue inmediatamente criticada por el RN. Bardella hablaba un día después de que Francia ganara su partido inaugural de la Euro 2024 en el que Mbappé sufrió una fractura de nariz.

El partido euroescéptico, antiinmigración del RN tiene su primera verdadera oportunidad de ganar el poder nacional en la votación del 30 de junio y 7 de julio. Las encuestas han colocado consistentemente al RN en primer lugar desde la decisión de Macron este mes de disolver el parlamento después de una paliza de su centristas por el RN.

Mientras tanto, el presidente de la Federación Francesa de Fútbol, Philippe Diallo, le dijo a una conferencia de prensa en el campamento del equipo en Alemania que los jugadores estaban libres de expresar sus opiniones. Instó a los partidos políticos a no utilizar estos comentarios en su beneficio.
