Number Picker Wheel

- Pick Random Number by Spinning Wheel

1. What is Number Picker Wheel?

Number Picker

Wheel is a random number generator (RNG) tool used to pick a random number by spinning the wheel. This is another specialized spinner of Picker Wheel focusing on a number generator.

There are five result types that you can choose for your application.

The

first result is based on range or formula input methods. This is useful when you only need less than 1000 (Desktop/Tablet) or 500 (Mobile) different numbers. You can't put more than these numbers due to the size limitation of the wheel. By default, it is a 10 value spinner.

The number randomizer will choose a number after a spin.

For the second

to fifth result types, these are the spin and combine result types. The wheel produces a single digit (0-9) from each spin and combines all the digits to become a final number. It can have a random number from 0 - 99999.

You can do a lot of activities with this number generator.

2. How to Use the Number Generator?

2.1. First Result Type  
(Single Infinite Number)

Range Input Method

You can set the Min, Max, and Interval

fields. The wheel will produce a list of numbers based on these values.

Write the Min,

Max, and Interval values. There are only up to 1000 (Desktop/Tablet) or 500 (Mobile) portions allowed. The wheel will be updated with the latest inputs. You can also exclude certain numbers to be shown on the wheel by providing the numbers in the

exclude field.

### Formula Input Method

You can write several formulas to produce the list of numbers you want. Below is the formula table.

Write the formulas you want in the formula input field. Click the process button. The wheel will be updated with the latest formula.

### Then for Both Input Methods

Click the spin button to start spinning the random number picker. The random number is produced and displayed on a popup. Two action modes are available, which are normal mode and elimination mode. Choose one of the action modes towards the result. Click the shuffle button to shuffle the available numbers of the random number generator.

### 2.2. Second to Fifth Result Type (Spin and Combine)

Pick the desired number of digits (at the Result Type) you want to show. Click the Spin button to start spinning. The digit result from each spin is displayed on these boards. You can tap on the board to spin that particular digit. Enable the automatic spinning by toggling this button. Else you have to spin the digit one by one manually. You can reset the digits by clicking this reset button.

So, these are the instructions for using the five result types of Number Picker Wheel. It is pretty quick and straightforward. You may also customize the interface, view the history, and switch to full-screen mode. Continue reading to learn more about these.

### 3. Wheel

#### Customization?

The wheel can be customized or configured in a variety of ways to match different use cases.

You can easily do this in the Tool Settings section (below the wheel section). The tool settings is located at: (click to expand)

The following settings can be changed:

Spin Behavior Spinning speed (lv1 to lv10). Spinning duration (1s to 30s). Enable manual stop button. Random initial angle. Mystery spin (replace inputs on wheels with "?") Spin count

Confetti & Sound Disable/Enable confetti. Sound on/off. Customize starting, spinning, and ending sounds.

Tool Colors - Change the wheel colors with several themes provided.

Background Color - Change the background color of the whole section.

Background Image - Add a background image at the wheel section. (Premium Users)

Spin Button - Customize your own spin button. (Premium Users)

Banner |

Logo - Adding your own logo or banner. (Premium Users)

\*Customize wheel with your own

wheel sounds, colors and background color. (Premium Users)

### 4. Create New and Switch

#### Number Wheel

There is a switch wheel button located at the header bar (desktop version) or inside the file button menu (mobile version).

Click the "Create New Wheel" button to

get a new empty default Number Picker Wheel. You can produce up to five number wheels and switch back and forth among them. For example, you can design different sets of wheel of numbers. \*Please take note only the data of the current active wheel is kept for the next visit. Once you refresh the page, all wheels other than the active wheel will be lost.

## 5. Enable Title Section

If you change the title to your own, your visitors will know the purpose of your number generator wheel, such as "Giveaway Contest Winner".

You can open or close the title section by clicking the Title Button from the Inputs section.

And write down the texts. There are title, description and popup message.

The title will be shown alongside the outcome when it is revealed.

## 6.

### View All Results

Click the "Open All Results" button to see all of your previous numbers generated.

It will show all of the random numbers generated by the wheel since the first spin of your current visit.

By clicking the download option, you can save the results/score as a picture.

## 7. Full Screen View

By clicking the full-screen button, you can enter or leave the full-screen view mode. (Available on a tablet and desktop device)

Entering full-screen mode enlarges the size of the wheel picker and hides the inputs section.

You can still see your results or scores from the "Open All Results" button.

## 8. Types of Action Modes

For the range result type, two modes are available in this number randomizer for different use cases. For the spin and combine result types, there is only the normal mode available.

### 8.1. Normal Mode

You'll recognize this mode if you've ever used the main Picker Wheel; it works the same way on this random number wheel. When you choose this mode for the result selected, it does not impact the result.

#### Use Case 1

This number picker can be used in a giveaway event. Where each of the gifts is assigned a number. The eligible participant can spin the wheel to pick a number to get their gift.

#### Use Case 2

Teachers can use the default 10 value spinner to teach their students about numbers. By using the wheel, the learning process will be more enjoyable.

### 8.2. Elimination Mode

This mode is again similar to the original Picker Wheel's elimination mode. The difference is it will permanently remove the result selected from the wheel if you select this mode.

#### Use Case 3

This random number picker

application can also be used in a giveaway event. Where each participant is holding a number themselves, the gifts will be given one by one based on the number generated by this random number generator.

#### 9. How to Share the App?

Click the share button from the top right corner of the website.

Decide "Allow people copy the wheel"?

Choose whether

to include your current wheel's tool settings e.g. wheel colors.

Click "Create Share Link".

Copy the link's address or click the Copy or Facebook or Twitter buttons to share this Random Number Generator with other people.

Please spread this application to

your friends and family if you find this application is beneficial.

#### 10. We Want to Hear

Your Feedback

If you have any feedback or discover any bug on this random number

generator. Please feel free to let us know. Your feedback is important to us to improve the number generator.

#### 11. Need an Alternative Random Number Generator?

If you want more

customized inputs such as inserting alphabet letters. You can use the main Picker Wheel application. You can put in each of the inputs and finally also let the wheel decide for you.

## **Rawdogging: a nova palavra de moda?**

Será que a palavra "rawdogging" será a palavra do ano da Oxford University Press casino gratis roulette dezembro? Ela é uma forte candidata. Há aproximadamente um ano, "rawdogging" - originalmente gíria para sexo sem camisinha - não era o tipo de palavra que se ouvia casino gratis roulette conversas polidas ou se encontrava nas páginas do Guardian e do . Agora, ela está casino gratis roulette todas partes e está sendo usada, principalmente pela geração Z, casino gratis roulette situações mais inócuas. Tomar café preto? Você está "rawdogging" a cafeína! Não tomar café casino gratis roulette absoluto? Você está "rawdogging" suas manhãs! Acabou de fazer um voo de nove horas sem entretenimento, exceto o mapa de voo? Bro, você "rawdogged" a viagem!

A tendência de "rawdogging" voos, que começou a chamar atenção no início do verão, impulsionou a palavra para o mainstream. Mas a palavra tem sido usada casino gratis roulette contextos não sexuais há alguns anos e, ao longo desse tempo, passou pelas primeiras etapas do "branqueamento semântico". Suas origens obscenas foram diluídas e para muitas pessoas ela não é mais remotamente escandalosa; apenas significa fazer algo sem assistência.

A língua inglesa muda constantemente, é claro, e muitos termos passaram por um processo semelhante. Os milenaristas, por exemplo, foram repreendidos por usar incorretamente a palavra "literalmente" quando eram mais jovens (eu certamente fui). Apesar do fato de que "literalmente" tem sido usado como intensificador desde o final do século 17, as pessoas parecem ficar irracionalmente irritadas quando a palavra é "mal utilizada". Quando, casino gratis roulette 2013, vários dicionários adicionaram a definição informal, não literal de "literalmente" casino gratis roulette suas páginas sagradas como uma aceitável utilização, causou bastante comoção.

Embora a palavra "sucks" seja comum e quase encantadora agora, ela também estava sujeita a muito debate quente devido às suas origens sexuais. Isso mudou lentamente: um artigo de 2006 do Slate ofereceu "uma defesa da palavra mal-amada" e concluiu que "é impossível manter inteligentemente que sucks ainda é ofensivo. A palavra está completamente divorciada de qualquer referência passada que possa ter feito a determinado ato sexual." Portanto, desculpe a minha linguagem quando digo que "rawdogging" literalmente parece ser a nova sucks.

Arwa Mahdawi é colunista do Guardian
