While luck certainly does have a part to play in Blackjack, there is a lot of skill that goes into playing the game. How much skill or strategy you use depends on the time and effort you are willing to put into learning these skills. One such skill is card counting-not like by casinos but certainly not illegal.

In fact, the value 16 is said to be the worst hand one can have in blackjack. Since sixteen of the other fifty cards have a value of 10 and four have a value of 11, there is a strong chance of getting at least an 18 with either or both split cards. A hand totaling 18 or 19 is much stronger than having a 16.

Ever wanted to play with real roulette croupiers from the comfort of your own home? Well, thanks to live dealer 5 technology, you can. Combining webcams, digital software and RFID sensors, it's now possible to play real live roulette online.

What Are 5 Live Roulette Casino Games?

Live roulette tables are real games broadcast to you via a virtual setting. Each time you log 5 in to Paddy Power, you'll see a selection of live dealer roulette tables covering a variety of betting limits,

variants 5 and themes. However, the one thing they have in common is that the action takes place on a real wheel, 5 with a real ball and real people controlling the action.

Unlike virtual casino games that use RNG, live online roulette operates 5 as if you were in a bricks and mortar venue. The only difference is that you're watching the action from 5 your desktop or mobile rather than from the table side (so you don't have to dress up if you don't 5 want to!).

Play Live Roulette Online for Real Money at Paddy Power
