The popularity of slot games

Slot games are a clear favorite of players at both

land-based and online casinos. From the 8 physical cabinets to the latest development of  
video slots, there's an abundance of slots with reels ready to be spun. 8 Game developers  
around the world are releasing new games on a frequent basis with new themes, twists,  
and turns. Some 8 make it big while others flop, but as a game category in general, slots  
are surely an ever-growing favorite.

While slots 8 might be associated with gambling and

real money bets, you absolutely do not have to spend money in order to 8 be able to enjoy  
slots online. In fact, most online slots can be played for free. And here at Temple 8 of  
Games that is exactly what you will find – a grand and varied selection of slot games  
that can 8 be played directly without any registration, downloading, or deposits  
needed.

How free slots work

Slots are a game of chance where there 8 is no strategy or

expertise needed to understand and play the game. The game interface normally features  
a set of 8 reels with a set of rows each – for example a 5x3 grid with five reels that  
feature three symbols 8 each. Some might also have a different, more modern setup with  
for example cluster pays or winnings payed from all 8 over the grid.

The aim of the game

is to match symbols in lines, combinations or clusters that create a win. 8 The exact  
setup and rules might differ slightly depending on the exact game, but normally you  
will have to have 8 at least three of the same symbol appearing adjacent in a payline in  
order for it to result in a 8 win. Most slots also come with special symbols such as  
wilds and scatters as well as bonus features.

Free slots are 8 not special games that are

developed for free play only. In most cases, they are exactly the same games that 8 can  
be played with real money in online casinos, but offered in a so-called "demo mode".

With this mode, the 8 games are played using play money so that you can still adjust and  
make "bets" and see how much you 8 "win", without any risk. The credits you play with are  
simply waiting in the game as you open it. You 8 won't be able to win any real money, but  
you also don't have the risk of losing anything.

Even though there are no real money transactions involved in free slots played in demo mode, the games are just as thrilling as the real deal. The demo games offer exactly the same setup and features as the real-money version. This often includes various bonus features such as free spin rounds and multipliers. Often, these features are triggered by special symbols.
