playing quina

The Quina is a game of chance that is played through the Brazilian Lottery. The game is straightforward: players must choose 5 numbers between 1 and 40, and can make up to 15 combinations per ticket. The bet amount for each combination is a minimum of R\$ 12.50, and the maximum payout is R\$ 14 million.

To play the Quina, players must access the game in website or visit a licensed lottery retailer. Once they have selected their numbers and placed their bet, they can purchase their ticket and wait for the draw. The draw takes place every Thursday at 8:00 PM local time, and winners are announced shortly after.

won Big

Can you imagine winning big in the Quina? It's a dream shared by many Brazilians, and some are lucky enough to have lived it. One of the biggest winners in Quina history was a group of 24 players who won R\$ 7.4 million in 2024. Their secret to success? They pooled their resources and bought 446 tickets for the draw.
