MegaPari Review

With Megapari, Marikit Holding is throwing another complete offering in terms of sports betting and online gambling onto the 5 market. They are responsible for success stories like 22bet or 1xSlots, for example. Therefore, in the Megapari test, we are 5 interested in whether the provider also ensures the best Megapari experience with this newcomer in the online segment for German-speaking 5 tipsters and players. And with over 3000 slots and more than 40 sports and XL game depths, XXL casino and 5 sports betting action awaits you here in abundance! If you just want to grab the Megapari bonus quickly and are 5 not interested in our Megapari experience, one click is enough. If you need more info about the newcomer, you've come 5 to the right place in the best Megapari review on the net. Then you just have to read on!

Pros & 5 Cons of MegaPari

Pros Over 3000 slot machines

1500 game depth

100+ slot providers

Good sorting functions

Over 40 sports! Cons Real money betting available 5 in small number of countries

Some countries are restricted

This is how Megapari captivated me

New bookmaker? And then also from Eastern Europe? 5 I am cautious at first! Therefore, before I registered, I first informed myself about the bookie. The good news is 5 that they have a license from Gibraltar. For me, this was the decisive point to give the provider a chance. 5 And that has fully paid off as of now. I have never seen a provider with such a large betting 5 offer. In addition, I can take advantage of daily offers and various features. So I'm happy as can be and 5 still glad that I dared to take the step of opening an account.

Megapari eSports Experience: Hot bets around the clock

As 5 a young betting provider, Megapari has also focused on eSports from the very beginning.

This is welcome news, as it 5 still looks a bit different with many providers. Here, however, you will find a wide selection and can bet on 5 all relevant games according to our Megapari eSports test.

For example, you can bet on matches in Call of Duty, 5 Arena of Valor, Clash Royale, CS:GO, Dota 2, League of Legends, or Overwatch. You can also bet on Rainbow Six, 5 Rocket League, Starcraft 2, Valorant or Warcraft 3.

Welcome Bonus and Promos

When it comes to promotions and bonuses, Megapari divides them 5 into two main categories:

1. welcome bonus

100% up to €/\$100.

If you enter our exclusive M_100 bonus code, you will receive a 5 bonus increase of up to €/\$130 or in the corresponding currency. When you bet on , you will be rewarded 5 with loyalty points that can be converted into credits on your betting account or spent as part of other bonus 5 programs.

2. megapari promotions

Accumulator of the day

AdvancedBet

Sports / Live Bet Slip Battle

100% Bet Insurance ... and others

It is clear to see 5 that Megapari offers more bonus offers for its sportsbook than for Megapari Casino. Therefore, the operator needs to improve in 5 this area. Bonuses are subject to special terms and conditions.

Usability, look & feel: Very modern design with a lot of 5 information

The sports betting portal relies on a very unconventional design. For one thing, there are no stationary bars here; instead, 5 the provider focuses on the essentials. Namely, the display of betting options. To a beginner, this overabundance of information might 5 seem overwhelming.

Stationary elements can be found at the very bottom of the Megapari test. Namely, once the betting slip 5 to fold in and out and once access to the live chat.

The betting offers in the pre-match and live betting 5 sector are not selected on the left side here, but at the very top via a selection bar. In both 5 the casino and the sportsbook, if you scroll all the way to the top, you can have a menu column 5 appear on the right.

This then provides access to all important sections, your profile and the bonus offers. We would like 5 to see a menu that is always accessible and that you don't have to scroll all the way to the 5 top. The design concept in the casino is reminiscent of traditional online casino structures. But here, too, the provider relies 5 on a very modern look.

Betting markets: 40+ sports and XXL depth of play

In the bookmaker portal itself, you can expect 5 over 50 different sports. That alone is a number that only a few competitors can match. The focus is on 5 King Football. Here you will find the highest depths of up to 1500 betting options per game. That is a 5 house number that we only know from competitors like 22bet. Secondary sports such as darts or billiards are also covered 5 extensively.

In the special bets, the provider has a unique selling point. You can bet not only on international TV events 5 or political outcomes. For example, you can also bet on how the weather will be. Only in terms of eSports 5 betting did it look a bit lukewarm at the time of testing. Although these are available, they are not as 5 extensive as those of the competition.

Betting odds: A good odds level with occasional outliers

For King Football, the average odds key 5 settles around 95%. This is a very good value compared to competitors. A direct odds comparison with competitor bet365 in 5 the English Premier League paints a similar picture: the odds are similar. Occasionally, Megapari manages to offer slightly better odds 5 than the traditional English bookmaker, especially for draws.

Live betting & streaming: A live table can be this extensive

At the time 5 of testing, the live betting offer included the same sports as in the pre-match sector. And also with the live 5 bets, an XL depth of play takes effect. Here, there are up to 500 betting options per match. Instead of 5 a multiple display, the provider relies on a tabular overview. And this tabular overview is more extensive than at competitor 5 Tipico. Because here you can find up to 16 quick selections for quick tipping. In the individual displays, the provider 5 relies on an innovative 3D game display. The live statistics are also extensive. Changes in odds are indicated by the 5 complete odds field lighting up in green or red. However, they only light up for a very short time, so 5 that this could be overlooked. Here we would wish that the colored markings would remain longer.

Payments: Sufficient variety and transparency!

In 5 order to get a high score in the test category with the payment methods, it is not mandatory for us 5 that the provider offers a variety of payment methods. Nor does it necessarily have to be free of fees. What 5 we attach great importance to is a transparent display of the payment methods. By this, we mean that the methods 5 available for the casino and sports betting payout & deposit can be viewed without prior registration in the portal. And 5 that is exactly the case here. When it comes to the payment methods, you notice that the same people are responsible 5 behind the offer as at 22bet. There are not 90 methods for depositing, but at least over 50 different ones. 5 And that makes for the best Megapari experience. Deposits are made free of charge. Deposits can be made from one 5 euro. From €/\$1.50 can be paid out. For withdrawals, a variety of methods are also available. And there are no 5 fees for withdrawals either.

Customer service: 24/7 chat helps around the clock!

For the Megapari review, we tested the customer service via 5 live chat. The contact was made on Monday morning. There was no waiting time. A English-speaking employee served us. He 5 answered a query about the turnover requirements of the casino bonus correctly. We rate the conversation process as very friendly. 5 We cannot award a full score in this category. This is because FAQs are currently still missing here. Otherwise, we 5 assume that if there are any problems, you will have a positive experience with this customer service at Megapari Casino. License 5 & Security: Curacao license, SSL and so far a fair appearance.

Before we conducted the Megapari test, we checked whether Megapari 5 can be classified as reputable. The provider has a valid license from Curacao. The websites are secured via valid SSL 5 certificates. A look at current gambling and sports betting forums does not reveal any excessively negative entries. Quite the contrary: 5 so far, the full-service provider behaves very fairly towards its customers. If all these three points are given and a 5 provider passes this security check, we rate it as safe and reputable. Megapari met all our requirements!

Overall conclusion: The Megapari 5 test also shows that a complete offer cannot be much more comprehensive.

Overall, there are no major construction sites that we 5 need to mention in the Megapari test. You will gain just as positive mybet casino experiences as with our number 5 1! On the contrary, if you are one of the players and bettors who like maximum scope, then you are 5 guaranteed to gain positive Megapari experiences with this provider. Just like 22bet, everything here is XXL. If the provider now 5 adds stationary bars to the sports betting portal and implements German-language FAQs, we would have nothing more to complain about. 5 As soon as the corresponding features have been added, the provider has a good chance of placing among the top 5 places in our comparison. You can tell that this offer is backed by people who have already launched a whole 5 series of successful online gambling and bookmaking portals.
