Introduction:

My name is Carlos Henrique Mello, and I'll tell you how I became dependent on gambling. My experience began in 1 2024, and it has been a terrible road filled with many defeats. Despite my loss, it has been a life-changing 1 experience that taught me much about fear, greed, and desire. My story will highlight my personal experience and lessons gained 1 through gambling. My ultimate goal is to convey to you, dear reader, the truth about gambling addiction and the lessons 1 I've learned along the road. I want everyone to learn from my experiences and benefit from them.

Background:

In 2024, I started 1 playing slots and gambling for fun, but I quickly became addicted since I kept hoping that the following large gain 1 would compensate for all my losses. Looking back, I recognize that state of mind to be false logic. Was that 1 my first mistake? Possible. I began by playing for free, advancing to actual money, and finally placing higher and higher 1 wagers.

Specific case details:

My nightmares began when I downloaded an app with free casino games in June 2024. With just one 1 click, I could access endless options for no money. I continued to use this program for an entire month without 1 bothering to register. I soon began playing that Big Ben game, of which I had accrued millions of tokens without 1 ever spending a dime. Then a popup stated I had earned enough "diamonds" to convert R\$50. Cool! Five clicks later, 1 I held R\$95 in my PayPal account. After a string of triumphs in free games, I was ready to play 1 real money. And so, on August 3, 2024, I received an enormous disbursement of approximately RS R\$ 25500. Deposit to 1 prepare? R\$ 429.60! Then it dropped. Money didn't guarantee victories; I realized that the next day. I replenished my casino 1 funds to approximately 80 - 120 RS and even more. My mother passed away lastly on December 12 from a 1 heart attack, prompting an emergency number to save her after two failures to do so. Because of my carelessness, I 1 can never undo the damage I did until

her last moment. On December 16, 2024, I finally defeated the bonus 1 without doubling a single penny! Along with calling everyone crazy in my house, I started jumping right where I dropped 1 my 5th relapse. 49,787.27! Nothing kept me playing more than the four wild lines with five scatters, because you wanted 1 to believe the Big Ben code. Oh man! There was no opportunity to reinvent you because we now have an 1 "investor fables casi during holidays," whose only purpose appeared to be playing your favorite vests by choice. There was no 1 reversing the strategy because.

Instead, one had to play at least six costly vouchers against one cost-effective ticket. Here, a lousy 1 day must lose nearly nothing but win 86%. This never works in other games and not slots. Bets include between 1 R\$127,00 and RS 2147, where my lifetime best equals around R420. And what was going to become of my R\$1151 1 pinnacle won until December 21? R\$800. The profit was RS5227,98 after getting an additional RS129 from our profit. These profound 1 experiences led me to the realization that.

Therefore, during November and December, rehearsals took place, from losses in November. Of course! Without 1 assistance I used my monthly scholarship - which I had increased once before cancelling just before asking to start school 1 because the due date had slipped my schedule for December. There you have it, and with approximately 10 dollars and 1 all other earnings subtracted, they brought my net worth down to zero. The week after finalizing that loan, they opened 1 a new way for loans with wagering using cash after splitting my deposit into two compartments: my non-wagering cash and 1 open (restricted) for unrestricted cash. Oh yeah, a loan of up to 20x my salary and extra costs. Have I blown RS2253.9 1 from Profity at least ten times? Impossible. A maximum PER MONTH INVESTMENT of approximately six loads is possible. I used 1 to invest everything earned and not invested with profits using every payment strategy under the sun or world. From Monday 1 to Wednesday, we have played as from January 8, each round requiring greater than 60 billion and receiving approximately 1.5 1 million visits a day. I would deposit money to work there, which resulted in the business losing profits. After increasing 1 profits by 43 cents (we did not divide by 100 to make dollars) over four days without my weekly wage 1 or fixed savings, I began playing. Indeed, one day netted me just under USD 325 (Div USD 325 by 4). 1 After exams had finished in December, my January living costs were spent, or more precisely, my December losses from trying 1 rehearsal number two of perhaps January's fresh starts were around three thousand, five hundred—a paltry USD2,450 of benefits from around 1 ten intense days of earning and spending extra for Big Bribe because after some work there from Monday to Thursday, 1 if we maintain discipline (never happens) it's profitable even with Big Bribe code's largest wager requiring a larger daily salary 1 than mine (which has a maximum payout to users of 4 times the value of the business revenue), it may 1 produce + 7k if done slowly and progressively.

MBA STUDY'S TAKE ON GAMBLINGThe typical MBA professional cannot afford the luxury of 1 following only recurrent play since from their pre-MBA life. Instead, through group work (often consisting of consultants), clubs (e.g., hedge 1 funds, PE funds.VC. clubs fintechs, AI clubs, Blockchain clubs), and unneeded exposure during competitions. Cases like these highlight different wage 1 plans and promotions or side ventures to begin while still in school since everyone attempts or considers applying to some 1 of these. It places them under immense pressure, competition, more responsibility and no time to deal with other things, so 1 discretionary play creates unbalanced behaviours harmful to health or your MBA, I'd RATHER SLEEP. Side effects in people closest to me. 1 I spent hours using strategy, asking friends online who did it for fun and using applications since someone a future 1 Poker programmer and professional was already betting illegally; there, I joined and I thought... Well, there were scared fathers. Worried 1 moms. Irritated brother, almost isolated younger sister whom I wouldn't know existed either because one had me out by then 1 and other got really into it around 2009 - 2013 but with much less intensity. Withdraws made by my brother 1 with good intentions because I allowed my mother to pay for housing and bills, believing that only an intelligent app 1 controlled everything. To my sister: "Yellow". There is no father engaged full-time and mother part and full time. Mother has discovered 1 almost all. With many of my faults, others tried online counselling groups,

which helped a lot, to set schedules, prevent 1 abuse since their launch in '05 was marvelous, with great friends trying out pokerist (Russian programmer - their top 1 live winners hit over half a mil), PokerStars (US programmer, almost sure Canadian), PartyPoker (renowned Cypriot), several with games developed 1 in Eastern Europe all that until December of 22, when the addiction really took hold after losing six consec... Imagi 1 losing months because of lack of balance. And at this point, I spent big! In the three unluckiest cases I 1 bet from four a. m to 4 p. m., while an administrator, manager, personal assistant president tried finding help for 1 17 hs a day who lost to the first of these applications until our mom discovered all these parallel lives. 1 Was the money ever used right? Brother's driving education(with an almost brand new vehicle from father) older sister - 1 brother of hers, university; car insurance + minimum salary sister, more uni, insurance + minimum big, scholarships and big dents 1 from 20.., the rest to the brother; how much poorer, better-off sister went to Germany, Mom visited.

Conclusion and recommendations.

Reflecting on 1 my gaming experience, five lessons stand out.

Know you limits.

Never assume you'll hit the jackpot and change your life.

Avoid dangerous behaviour

Mood 1 Swings and responsival

Consider long term.

Donald Trump: de declive a la locura

El candidato republicano a la presidencia de los Estados Unidos, Donald Trump, ha pasado 9

años diciendo lo impensable para entretener, provocar y atraer la atención. Pero sus declaraciones en las últimas semanas han alcanzado 9 nuevas profundidades de absurdo e incoherencia.

Trump, de 78 años, cada vez más tartamudea o tropieza con sus palabras, lo que 9 genera preocupación por un declive cognitivo. Está perdiendo terreno en las encuestas frente a Kamala Harris y sabe que la 9 derrota podría llevarlo a juicios penales e incluso a la cárcel. Después de una década de dominar la política estadounidense, 9 los críticos dicen que Trump podría estar en medio de un desmoronamiento final.

Su producción verbal actual es "pura locura", según 9 Tara Setmayer, exdirectora de comunicaciones republicana en el Capitolio.

"Estas no son las reflexiones de un adulto bien ajustado. Demuestra diariamente 9 lo inadecuado que es para tener el cargo de mayor poder en el mundo.", agregó.

Trump, según Setmayer, recibió en gran 9 medida un paso libre de los medios convencionales debido al enfoque intenso en la edad y la capacidad mental de 9 Joe Biden cuando aún era candidato. "Ahora el enfoque está únicamente en él porque es el candidato de mayor edad 9 en esta carrera. Su rareza está más iluminada que antes porque está solo en una isla con su deterioro.", dijo.

Trump 9 siempre ha arrojado gatos muertos a las mesas, como dice el refrán, ofreciendo a sus fanáticos la emoción de la 9 transgresión y observando con alegría cómo los liberales gritan con indignación. Su campaña presidencial en 2024 se caracterizó por un 9 discurso racialmente divisivo y un flujo constante de controversias que dominaron los ciclos noticiosos y obligaron a la rival Hillary 9 Clinton a entrar en modo reactivo.

Un análisis de The Guardian de un mitin de campaña que Trump realizó en Greensboro, 9 Carolina del Norte, en octubre de 2024 encontró referencias a "Crooked Hillary" y la afirmación: "Por lo que ha hecho, 9 deberían encerrarla." Incluso entonces, Trump estaba obsesionado con los tamaños de las multitudes, las mentiras de los medios "envenenando" las 9 mentes de los electores y la fantasía de que "esta elección completa está siendo arreglada".

"Ha definitivamente perdido un paso", como 9 se dice. Es menos coherente que hace cuatro años.", afirmó.

Pero el Trump de hace ocho años también traía un mensaje 9 más disciplinado y centrado. Denunciaba malos acuerdos comerciales y enumeraba una lista de prioridades políticas: el mayor recorte de impuestos 9 desde Ronald Reagan, eliminar regulaciones, defender la libertad religiosa, apoyar a la aplicación de la ley, derogar y reemplazar Obamacare, 9 salvar el segundo amendment, y nombrar "grandes jueces" al tribunal supremo.

Quizás lo más destacado, Trump pedía a los independientes y 9 a los demócratas que se unieran a la lucha contra la "corrupción del establecimiento" que devolvería el gobierno al pueblo.

Hoy 9 los mítines de Trump tienden a extenderse por una hora y media o dos horas, lo que, como Harris notó 9 en sus debates, hace que algunas personas se vayan antes del final.

Él ha buscado defender sus divagaciones retóricas como "el 9 tejido", afirmando que todas las hebras vuelven a juntarse para tener sentido.

Pero en una parada reciente en Prairie du Chien, 9 Wisconsin, "Trump pasó de un tema a otro tan rápido que era difícil seguirle el ritmo en ocasiones.", reportó la 9 Associated Press.

Hubo digresiones sobre la crisis climática, el padre de Harris, cómo su cuerpo de playa era mejor que el 9 de Biden, y una mosca que lo estaba molestando.

"Me pregunto de dónde vino la mosca.", dijo.

"Hace dos años, no habría 9 tenido una mosca aquí arriba."
