contente:

Cinco meses depois, em 20 de janeiro de 1951, entra no ar a TV Tupi Rio de Janeiro.

[nota 1] Desde então a televisão cresceu no país e hoje representa um fator importante na cultura popular moderna da sociedade brasileira.

Em 1955 é inaugurada a TV Rio, aliando-se à TV Record, inaugurada em 1953, das Emissoras Unidas.

Em agosto de 1957 iniciam-se as transmissões entre cidades no Brasil, com um link montado entre a TV Rio e a TV Record, ligando as cidades do Rio de Janeiro e São Paulo, com a transmissão do Grande Prêmio Brasil de Turfe, direto do Hipódromo da Gávea no Rio de Janeiro. Em 1959 surge a TV Continental, canal 9 no Rio de Janeiro, trazendo a novidade do videoteipe para o Brasil; ela seria cassada em 1972.

A partir de 1970, muitos artistas da sociedade francesa começaram a se movimentar para um mercado mais público.

Em 1977, o mercado alemão de rua-landas iniciou um novo impulso e, ao mesmo tempo, um verdadeiro movimento comercial.

Um dos temas centrais do cinema alemão é o "bizarro gosto" do público jovem.

As artes, geralmente associadas a este estilo único, foram uma tendência constante a emergir em toda a sociedade.

Para os atores iniciantes, a carreira

# Como alguém sobrevive aos seus dias de escola?

How does anyone survive their schooldays? I mean, nearly everyone does, obviously, but that doesn't mean it shouldn't count as one of life's great achievements. The happiest days of your life? For some of us, maybe. For a few others, the worst of days. But for everyone, in their own way, they are as challenging as anything adult life throws at you. I base this view on my own schooldays, my children's, their friends', and the children of my friends. In nearly every case, the kids involved have been just fine, they've done well, but I can't help feeling these successes are achieved against all odds.

## O primeiro dia de escola

Day one is monumental enough. My mummy dropped me off and left me with a bunch of children I didn't know, and a nice lady called Mrs Timmins. Blimey, I thought, this is a big deal. I got through it, though. When my mum picked me up to take me home for lunch, my little chest was puffed out with pride. I'd done well, everyone said. But after lunch the bombshell was dropped that I'd be going back there for the afternoon. What? And I'd be going back the following day, and the day after that, and every subsequent day for the foreseeable future. This hadn't been made clear to me. I thought it was a one-time event to be brave about, like a visit to the nurse for a jab, or a trip to a safari park. Nobody told me it was a whole new way of life. I was outraged.

## Encontrar-se joga que ganha pix um grupo de estranhos

Finding yourself in a group of strangers is tough enough as an adult. How did we make our way through it when we were not long out of nappies? It would be another decade before my schoolwork involved reading Lord of the Flies and by then, even in the absence of fatalities, I knew what Golding was getting at.

## A política do recreio pode ser selvagem

The politics of the playground can be savage. You have a friend who's your best friend who decides someone else is their best friend and doesn't want to play with you any more. Obviously, this kind of thing is standard, happens all the time, but in that moment you can't know this – you're just a tiny kid feeling like it's the end of the world. Somehow you dig deep into your young soul and find a way of coping. You have to. And this is how we learn to be resilient. I get that. But that doesn't mean it's not hard.

## Desafios massivos

And over the next dozen years or more, these massive challenges come rolling in, day after day, week after week, term after term. You don't understand what you're being taught. You keep getting bad marks. You struggle with homework. You want to be cleverer than you are. You can't get in the school team for something. You're in a fight – which is terrible, even if you win, and utterly shaming if you lose. Then there's all the nascent sexual politics to navigate. You fancy someone. You get your friend to ask them out for you. Your friend returns with the bad news. And soon everyone knows it. And these days, ye gods, whatever your bad news is, the whole world might know it, thanks to social media. And all of the above stresses and strains will follow you home and stick to you for ever.

## Deixando a escola ou o colégio

Whenever I meet an 18-year-old leaving school or college, my first thought isn't how their exams have gone or what they're doing next. I just want to know that they're OK, that physically and mentally they're in one piece. If so, great, well done, onward. The rest of your life might, comparatively, be less of a struggle than you've been led to believe.
