In most cases, we sell 'retired' machines to wholesalers who typically resell them to overseas gaming operators. Other times, we use the machines as a trade-in toward the purchase of new units. And in a few cases, we'll use the machine for spare parts for older models.

Sell to Other Casinos or Businesses: Casinos may sell their older slot machines to other gaming establishments that are looking to expand their offerings or replace their own outdated machines. Some businesses outside of the casino industry, such as arcades or private collectors, may also purchase used slot machines.
