Slot Review

For the studio of this level Gonzo's Quest is a remarkable slot that's made it to the lobbies of numerous operators. Gonzo's Quest hit the market on 11.11.2013 offering popular gameplay and high-quality graphics. You can enjoy free Gonzo's Quest test mode on clashofslots as a visitor with no sign up required. Take a look at the slot metrics to see if that's the best choice for you. Gonzo's Quest offers 95.97% return, Above average volatility and x3750 win potential, max win. With a pretty balanced math model and the possibility of the big swings, the game is always exciting. Overall, it delivers strong gaming experience. Gonzo's Quest appeals to those who appreciate gameplay that has both classic and original elements to it. When no bonus gets activated, the base mode is still interesting but once wilds, scatters or other special symbols or features land on the screen, it gets to the whole new level.

In the

new slot, you will go in search of the city of Eldorado, together with the brave traveler Gonzo, who will accompany you throughout the game and help you become the owner of a good prize.

The game does not have the usual reels, without which it is impossible to imagine the game. They have been replaced by the Avalanche feature – symbols fall on empty spaces in the reels, creating combinations. There are 20 winning combinations available here. After the player manages to get one payline, the matching symbols disappear with an animated explosion, freeing up space, and are replaced by other symbols falling by gravity.

You will see Maya-themed symbols that explode and disappear when you get a winning combination. There are two special {img} in the slot, the first question mark is a wild one, it serves to replace simple {img} in the game. The free fall symbol is a scatter. When it appears, it launches 10 free spins. During these launches, multipliers will also be involved, only by increased coefficients.

Bonus Features of the Gonzo's Quest Slot

The main feature of the Gonzo's

Quest is Bonus Free Falls. This feature is triggered if you receive 3 scatter symbols.

You will be credited with 10 free spins and you will see that the multiplier counter

has changed. With each victory, the multiplier value will increase from 3x to 6x and from 9x to 15x. This means you can get 10 free spins with a 15x multiplier.

Meet

another version of the Gonzo's Quest slot called Gonzo's Gold with the treasure-seeker Gonzo in the title role. Gonzo's Gold slot offers a completely different gameplay based on free spins with expanding symbols
