Good, but could be better.

This is a review only on the sportsbook, and it's a tough one for me.

When I 9 registered for them I did so purely under the assumption that they pride themselves in not restricting players and that 9 they welcome winners. This is partially false according to my personal experiences. The odds on all markets seem to suspiciously 9 change when I log in to my account. In every market, odds seem to be 0.02 points lower, or something 9 close to that. It may not seem like a huge deal to you, but it is a restriction the way 9 I see it, and it makes me wonder whenever they truly welcome me on the site as a winner or 9 not. You could make the argument that it's necessary for their business model to succeed, since betting exchanges also require 9 you to pay commissions on winnings, but this isn't the case for some of their competitors which I would recommend 9 over this site. *cough* Pinnacle *cough*. Anyway, it's not a huge deal by any means and I can personally deal 9 with this no problem, but I just had to throw this information out. Other points to consider, starting with the positives:

- 9 Despite my gripes about having lowered odds, they're still very competitive. I place bets there weekly, even daily on busy 9 weeks. Lots of markets offered and different sports offered as well.
- Customer service is in my experience top class; fast, 9 responsive and friendly. What else would vou want to ask for?
- Withdrawal speeds are very fast so have no fear, 9 they'll pay you no problem. Some negatives:
- Desktop site looks very dated, like straight out from ten years ago, but at 9 least it's functional. Can't say the same about mobile version, which is terrible.
- They apparently start charging you a fee 9 for withdrawals after five or so free ones. Haven't read the full terms, but this isn't the standard industry practice 9 as far as I know.
- Making parlays is limited to only some markets. Might be a problem for some of 9 you. They have a lot of improving to do as I've already stated, but it's not a bad bookie overall. I'm 9 willing to give them three and a half stars; it's a very good bookie to register for if you like 9 chasing valuable odds.
