Information about IGT games

IGT, or International Game Technology, has been around for many years and is 9 one of the best-known names in the iGaming industry. It was originally a Las Vegas-based gaming manufacturer, supplying slot machines 9 and other technology to land-based casinos across the United States. The 1990s saw IGT listed on the New York Stock Exchange 9 as they expanded their services abroad to countries such as Argentina and South Africa. It was a prosperous time for 9 the company marked by the stunning success of its Wheel of Fortune progressive slot, based on the hit TV show 9 of the time.

The company's universal presence in bricks-and-mortar establishments around the globe meant that there wasn't a huge focus on 9 internet games until 2010, several years later than many other providers. This was when they established an interactive division with 9 the aim of growing their online operations, and IGT fans had a range of exciting virtual games to choose from.

However, 9 the next few years would see the company suffer from internal disputes and heavy debt, which led to Italian firm 9 Gtech acquiring them for R\$6.4 billion (including R\$1.7 billion assumed debt) in 2024. The new-look company, now based in London, had an 9 ambitious outlook, aiming to dominate the iGaming market.

Today, it continues to release both land-based slots and lottery games across multiple 9 platforms, continuing its status as a leading casino content provider.

IGT slots and casino games

IGT knows a successful formula when it 9 sees one, which is why you'll see several variations of its famous Wheel of Fortune slot game. Its Exotic Far 9 East version is one that holds a progressive jackpot along with plenty of bonus games, such as the special Ca\$h 9 Link feature, which is activated when you land both special coin and treasure chest symbols. The amount you win depends 9 on the value of the coins. Wheel of Fortune symbols and a treasure chest will give

you a spin on 9 the jackpot wheel, the highlight of the game. The game is action-packed and designed to entertain you with its Far-East 9 design and music.

Another popular IGT title is Cleopatra, a slot based on the famous ancient Queen. Like Cleopatra herself, the 9 reels are draped in jewels and decorations, and the bright graphics and symbols are attractive to play on. In terms 9 of gameplay, however, it's pretty ordinary. The bonus round is simply free spins and a multiplier, while the Wilds symbol 9 (a logo of the queen) is nothing special. It's a hit with slots players, though, so give it a go 9 to see if you like it as much as others do.

For those looking for a fun take on things, then 9 IGT's Ghostbusters-themed slot is a great way to pass the time. Surprisingly life-like symbols of the team are displayed on 9 the reels, along with the foursome's famous car and ghostbusting equipment. There are four bonus games, with the highlight being 9 the 4 Mystery feature – a Wild Reels win here can lead to big gains. Also, watch out for the 9 farting ghost when wins are paid out, something that will amuse the childish ones among us.
