What's the best casino app? We can confidently say that BetMGM, Caesars Palace, DraftKings, Golden Nugget and Borgata offer the best real money casino apps around.

We've been writing about real money casino apps since the first ones launched in New Jersey a decade ago. We've tried every real money casino app launched since then, too.

With years of editorial and betting experience, we can offer these casino app recommendations and break them down from every angle, including game options, live dealer games, bonuses, free spins, fastest payout speeds, customer support, comps/rewards, and more.

Note: If you access this page from a state without regulated online casinos, you'll see a list of the top sweeps & social casinos, which are legal in all states (except WA, MI and ID).

Best overall real money casino app in 2024

Few real money casino apps can keep up with BetMGM. We're dubbing it the best real money casino app overall for the following reasons:

Over 1,000 mobile casino games

Aesthetically pleasing and functional layout

Fast load times and dependable software

Welcome bonus and MGM Rewards access

Over 700 online slots and 300 casino games on BetMGM Casino's website have made the move to mobile. Plus, the layout is aesthetically pleasing and highly usable. Load times are as fast as it gets, and the software is truly dependable.

What's more, BetMGM's great online casino bonus is available on the real money casino app, as is access to your MGM Rewards account, so you earn points with your casino play on the app and redeem those points right there and then if you want.

Add it up, and the BetMGM app available in Michigan, New Jersey, Pennsylvania, and West Virginia is the best overall real money casino app.
