23 Dec 2024 15.13 GMT Erik ten Hag talks to TNT. "We had a solid performance ... we were controlling the game ... we performed very solid, controlling the game in possession ... also we didn't give chances away ... we had to score ... we had opportunities ... then one moment of switching off, we conceded a goal ... we have options ... Marcus Rashford can play all positions across the front ... when strikers don't score confidence will decrease, but they have to believe ... as a team we have to make the passes in the final third ... [the central defensive partnership] played well but you want to have routines and when the routines are not there you concede a goal like we did ... when the routines are in, this moment is out."

23 Dec 2024 15.08 GMT David Moyes speaks to TNT Sports. "It was a great win for us ... we didn't do brilliant in the first half but we done a job ... as the game went on we got much better ... sometimes when you make the change it doesn't work, but we put Paqueta more like a number nine and he held the ball up brilliantly ... they are really talented players and we can move them around ... we've won 31 games in the calendar year ... we've won a trophy in the middle of it as well ... West Ham aren't going to win all of our games, we're not that sort of club ... we're not that team, we're not ready to do that, but I hope we can build towards it ... we've just lost the best player in England in the summer ... but we're in a pretty lofty position ... if we'd have been knocked out [of the League Cup] by Lincoln in the first round, I'm not sure people would be taking so much about [the midweek selection at Anfield]."

23 Dec 2024 14.59 GMT A glum Luke Shaw speaks honestly to TNT. "Just not good enough, really ... we have to win games and that's it ... we keep losing games and points and making it very hard for ourselves ... especially that second half, not good enough ... the first half we controlled the game ... if we scored the first goal, maybe the result is different, but we don't, so we suffered in the second half, and again, it's not good enough ... I don't feel [West Ham's tactical changes] disrupted us ... the pass was an unbelievable pass and he got a bit of luck with a rebound ... the second goal is a mistake but that doesn't matter, from the start of the second half we were not the same ... it's why I'm here now ... it's tough to think what's going on ... we're not creating enough and when we do we're not clinical ... it could be a lack of confidence ... we have to keep staying positive ... we have to win games ... we have to stay positive ... this is Manchester United, one of the biggest clubs in the world, and it's not good enough ... we know that ... we have to dig deep and look ourselves in the mirror ... question ourselves and go from there ... no excuses ... we've had a lot of injuries but a lot of teams have been picking up injuries so we can't be making excuses ... we know it's not good enough...

23 Dec 2024 14.40 GMT Post-match postbag. "Not a West Ham fan but can I say how much I love the Kudus celebration where he sits on the advertising hoarding. It's so brilliantly nonchalant, really adds to the vibe of a player who just always seems to have more time than anyone else on the pitch" – Myles Nester Harwood "What a birthday week Jarrod Bowen is having! First he

scores a beauty against Liverpool, and now another against Man United. He must have made one heckuva wish when he blew out the candles on his cake" – Peter Oh "It's not just the players' lack of togetherness but Ten Hag never goes up to his players after the match to show any appreciation like Klopp or Guardiola do. The contrast is almost frightening! Where's the passion or sense of camaraderie?" – Nigel Moore

2009 video game

Call of Duty: Modern Warfare 2 is a 2009 first-person shooter game developed by Infinity Ward and published by Activision. It is the sixth installment in the Call of Duty series and the direct sequel to Call of Duty 4: Modern Warfare. It was released worldwide on November 10, 2009, for Windows, PlayStation 3, and Xbox 360. A separate version for the Nintendo DS, titled Modern Warfare: Mobilized, was also released on the same day. A version for OS X was developed by Aspyr and released in May 2014, and the Xbox 360 version was made backward compatible for the Xbox One in 2024.

The game's campaign follows Task Force 141, a multinational special forces unit commanded by Captain Soap MacTavish as they hunt Vladimir Makarov, leader of the Russian Ultranationalist party, and United States Army Rangers from the 1st Ranger Battalion who are defending the Washington, D.C. area from a Russian invasion. The game's main playable characters are Sergeant Gary "Roach" Sanderson, of the 141, and Private James Ramirez, of the Army Rangers, with Captain MacTavish becoming playable later in the campaign. The multiplayer mode was expanded upon from the previous game, with several new features and modes.

Development for the game began in 2008, when it was still known as Call of Duty 6. It uses the IW 4.0 engine, an improved version of Call of Duty 4's IW 3.0. Infinity Ward was inspired by reallife conflicts when developing the campaign mode. They initially tested the multiplayer mode by playing an in-house beta version of the game. Modern Warfare 2 was officially announced in February 2009. Teasing of the game began in March, with short trailers being released for the game and, eventually, a full reveal trailer. The multiplayer mode was revealed shortly after. Two downloadable content packs were released for it post-release, each containing five new multiplayer maps, with some being remastered maps from Call of Duty 4.

Modern Warfare 2 received universal acclaim, with praise for its campaign, multiplayer, and amount of content, although it received some criticism for its short length and a lack of innovation. Within 24 hours of release, the game sold approximately 4.7 million copies in North America and the United Kingdom ending as the best-selling video game in 2009 in the USA. As of 2013, the game had sold 22.7 million copies becoming one of the best-selling PlayStation 3 video games and best-selling Xbox 360 video games. In addition to its release, a comic book series based on character Simon "Ghost" Riley was also produced, titled Modern Warfare 2: Ghost. Despite the game's success, it was subject to some controversies, with one surrounding a playable level that had the player carry out a terrorist attack on an airport. A sequel, Call of Duty: Modern Warfare 3, was released in 2011 and finishes the original Modern Warfare storyline. A remaster of the game's campaign, Call of Duty: Modern Warfare 2 Campaign Remastered, was released on the PlayStation 4 in March 2024 and April 2024 for Windows and Xbox One.
