Papa's Pizzeria Instructions

Papa Louie has left the pizzeria for a few days and needs your help. You are playing as Roy, Papa Louie's nephew. It is up to you, Roy, to take control of the pizzeria and keep things running smoothly. This means that you must take customers' orders, assemble the pizzas, and bake them to perfection. To begin the game, players simply have to click on one of the 'save slot' cards. After this, your pizza adventure will officially begin. Take the customer's order... Toppings, how long it's to be cooked, how to cut it... Make the pizza... Give it to the customer. If it's done correctly, you get a big tip! Each customer will have slight variations on their orders. They might want their pizza cooked for a specific amount of time. Other small details include different amounts of toppings, a different amount of slices, a different amount of . . . well, you get it. The key is to get these details exactly right in order to satisfy the customers. The real challenge begins when there is more than one customer to deal with at once! You will have to figure out how to prioritize customers and optimize your orders to keep everyone happy. It sounds easier than it is, as orders can get quite overwhelming. Make sure to pay attention to the little things as well. Often it can get hard to remember every single thing that the customer wants. Make sure to not only pay attention to what toppings the customers want, but where the toppings go on the pizza, how long the pizza should be cooked, and how they want the pizza cut. If you miss these details, you can seriously miss out on some big tips. If you do all of this quickly, then you should be able to do well in this game. Estados Unidos diplomatas impulsan un cese al fuego entre Israel y Hezbollah

Los Estados Unidos están trabajando para lograr un alto el fuego a corto plazo que detenga la violencia entre Israel y Hezbollah, dijo ayer un funcionario estadounidense, con la esperanza de evitar una guerra más amplia en la región.

La iniciativa diplomática se produce después de que el ejército israelí afirmara que derribó un misil de Hezbollah dirigido a Tel Aviv, el primer ataque directo del grupo contra la ciudad. El ejército israelí también ordenó a sus soldados prepararse para una posible incursión terrestre en Líbano mientras continuaban los ataques aéreos contra el país ayer. Al menos 51 personas murieron y 223 resultaron heridas en los ataques aéreos, dijo el ministro de Salud libanés.

El objetivo inmediato es reducir el riesgo de un conflicto más amplio que desestabilice la región. Pero los funcionarios estadounidenses también esperan encontrar una manera de desactivar la amenaza de guerra con Hezbollah que ejerza presión sobre Yahya Sinwar, el líder de Hamás, para que acepte un acuerdo que ponga fin a casi un año de lucha en Gaza y conduzca a la liberación de los rehenes capturados durante los ataques del grupo el 7 de octubre.
