BTEUP, an acronym for "Board of Technical Education, Uttar Pradesh," refers to the regulatory body responsible for overseeing technical education in the state of Uttar Pradesh, India. In operation since 1958, BTEUP works under the state government's Department of Technical Education, aiming at providing and regulating technical and vocational education throughout the state, molding youngsters into proficient and responsible individuals who fuel the growing demands of the 21st century's global market.

Genesis of the Board of Technical Education

Inaugurated six decades ago, the roots of Uttar Pradesh Technical Education's apex body traced back to the formation of 'Uttar Pradesh Board of Technical Education and Training' on 1st April 1958. Later in 1962, the state's first technical institute crafted the foundational milieu for multiple professional educational institutions to thrive under BTEUP's aegis.
