Along side the thousands of testimonials of pleased customers on Google Play, users also complain about the nearly impossible task of cashing out their hard won prize money, which may be related to winners frequently taking home millions with few winning five figures because there are thousands of players overall therefore collecting earnings is simple if you abide by requirements while some methods may have significant withdrawal costs over US\$3, so evaluate risks before relying on customer service assistance. Like gambling, some will undeniably use this increasingly and generate fair earnings while never giving in, even after consecutive losses, which on average demotivates other players wary of losing what little or all balance they had, choosing, instead, to participate in moderation and never letting fear, doubt take hold of the heart.
