It's no secret that mobile gambling is slowly replacing other forms of gambling as the most popular way of laying wagers in the UK. While Google's Android is by far the biggest platform for gambling apps, iOS betting apps are nothing to scoff at as well.

Even though gambling apps are a relatively new thing in the Apple store as they were previously forbidden, they have now taken the market by the storm. Players from all around the world are playing poker, casino games, slots, and placing sports bets from their iPads, iPhones, and even Apple Watches. (Yes, gambling on Apple Watches is a thing now.)

If you are one of these players or are thinking to start betting from your iOS device, this is where you'll find all things iOS betting. So, if you are interested in learning more about what it takes to be the best iOS betting app, what are the different types of betting apps, as well as what are the best mobile betting apps, then pull up a chair and make yourself comfortable; we got a lot of things to talk about.
