Everything is going to be determined really fast because this type of ice cream is something different. It is alive and not good at all.

You need to get closer and closer to it because it has gotten so bad and evil that people cannot stop eating it. All of his kin had been eaten so that the evil villain ice cream had gathered a whole team with his brothers and made their way to make bad things to good and innocent people. Try to understand and see everything that you would like to determine over time and the things that you really like in there is something really cool like nothing different. Behold of the things that you would find in there and tell us everything. We want to see that you can handle all this ice cream and you can defeat it in all the conditions that will follow in time. Make sure that you understand all its concepts and you can get to know its secrets and if possible its sensitive points as well. We would like you a lot of curiosity and to determine by yourself a lot of stuff that totally matters in time. Never let us go and try to become the best in these situations that truly are important. Gather some Intel about the ice cream because it is going to be a tricky one and not everyone is going to be able to get it through and beat the hell out of it. It is going to be dangerous. The ice-cream is mad and tries to conquer the world in every single possible way but you must not let it go through all its behavior and plans, because that would mean that the world as we know it could come to an end. Try to get everything done before they do and after that eat the ice cream and feast out of it because you totally deserve it.

Never let us go like that because we would like to hear a lot of things from you and how have you felt during our super cool games. We are expecting a lot of likes and sharing our posts all the time. We want to hear your personal opinion because that is what would mean to become the greatest of all time.

El entrenador holandés Erik ten Hag afirmó que la ambición de Manchester United es ganar la Premier League, asegurando que solo han sido el segundo mejor equipo detrás de sus rivales Manchester City desde su llegada en 2024.

Bajo el mando de Ten Hag, el club ha ganado la Copa Carabao y la FA Cup en sus dos primeras temporadas, pero terminaron en una decepcionante octava posición en mayo.

United comenzará su campaña en casa contra Fulham el viernes por la noche, con Ten Hag buscando mejorar su peor finalización en la Premier League. "También ganamos dos trofeos, lo que nos dio confianza de que somos capaces de ganar", dijo Ten Hag cuando se le preguntó si pueden usar la decepción de la liga de la temporada pasada como motivación.

"Ganamos más trofeos que cualquier otro club, aparte de City, en Inglaterra. Tenemos confianza, tenemos un buen equipo, tenemos un buen plantel. Tenemos que ser más consistentes y queremos ganar cada competición en la que participamos, definitivamente también la Premier League."

El club recibió un impulso esta semana con la llegada de los defensores Matthijs de Ligt y Noussair Mazraoui desde Bayern Munich, quienes trabajaron con Ten Hag en Ajax. El capitán Bruno Fernandes también firmó una extensión de contrato en Old Trafford.

"Tiene un potencial fantástico", dijo Ten Hag de De Ligt. "Matthijs cumplió 25 años esta semana y tiene casi 375 partidos con Ajax, Juventus y Bayern Munich a sus espaldas, es increíble y ahora está entrando en sus mejores años. Tiene grandes habilidades como futbolista y como personalidad y carácter. Estoy realmente contento de tenerlo aquí."

Al igual que gran parte de la temporada pasada, United comienza la campaña sin dos laterales izquierdos después de que Luke Shaw fuera descartado por una lesión en el tendón de la pantorrilla, mientras que Tyrell Malacia sigue sin estar disponible después de perderse la temporada pasada. Estas ausencias pueden resultar en el debut de Mazraoui contra Fulham.

Shaw se perdió los últimos cuatro meses de la temporada 2024-24 con una lesión en el isquiotibial antes de jugar para Inglaterra en la Eurocopa y regresar a United, donde promedia 19 apariciones en la liga por temporada durante la década que ha estado en Old Trafford. "La primera temporada en que estuve aquí jugó muchos partidos, así que estoy muy confiado en que lo pondremos en forma", dijo Ten Hag sobre Shaw. "Tiene solo 29 años, ya ha jugado muchos partidos para Manchester United. Cuando hablo con Luke, está tan unido, tan comprometido. Tengo una fuerte creencia en que regresará rápidamente y contribuirá a nuestros niveles."

Rasmus Højlund estará ausente por una lesión en el isquiotibial, pero Ten Hag es poco probable que comience con otra nueva incorporación, Joshua Zirkzee. Fernandes comenzó más adelantado contra City en la Community Shield, pero Ten Hag también podría elegir a Marcus

Rashford como delantero central. "Estoy muy feliz de tener esas opciones, que encajan en todas las unidades, todas las posiciones, necesitamos muchos jugadores para la temporada, pensamos en 60 partidos, así que será una supervivencia del más apto, necesitamos profundidad de plantel. Debes tomar decisiones y necesitas rotación."
